

I was not represented by an attorney in the preparation of this Separation agreement. I understand that _____ (attorney) is not my attorney. I have been advised of the availability of free legal representation in this matter and the desirability of seeking legal advice. I have voluntarily chosen to ignore this advice and proceed with this Separation Agreement without legal representation.

I understand that the services of a lawyer can be of great value in protecting my personal and financial rights. By my signature on the line below and the execution of this agreement, I acknowledge that I have not received any advice from _____ (attorney), other than the recommendation to consult with counsel. I understand that the terms of this Separation Agreement are binding upon me, regardless of the fact that I am unrepresented.

I hereby knowingly, intelligently and voluntarily waive my rights to an attorney.
